About Busy Bee Catering

Busy Bee Catering is located in beautiful Welches, Oregon, at the foothills of Mt. Hood. We provide service to many special local venues as well as service to the Metro Area, Hood River, Central Oregon and the Willamette Valley. We love the beauty and bounty that Oregon has to offer and like to showcase these aspects in the way we present our foods. We are available to provide a full array of services ranging from event planning and vendor coordination to delivery, set up or even drop off.

We have been busy catering weddings, corporate events, family picnics, and parties of every theme and type. We would love to work with you to create the kind of function that shows your personality and entertaining style. We have made lots of friends catering in the last 20 years and would be happy to provide a variety of references. Take the hassle out of your next ski trip or camp out with meals prepared in our local kitchen. Just stop by our convenient location on your way up the mountain. Whatever you are planning, please consider Busy Bee Catering...we love to cater and it shows!
