About Camas Meadows Golf Club

Camas Meadows Golf Club's par 72, 18-hole Championship Course combines incredible scenery with a unique, challenging design that will satisfy both beginning and accomplished golfers. Designed by architect Andy Raugust, the course has both narrow, tree-lined fairways and open fairways featuring grassy meadows and wetlands. Camas Meadows offers excellent practice facilities that are covered and heated and on-site golf instruction. The Club House is spacious and accommodating and is ideal for golf tournaments, banquets (indoor or outdoor) and meetings. Camas Meadows Golf Club was recently voted by the Portland Business Journal as the "Best Public Golf Course." Camas Meadows Golf Club...golf as nature intended.

Our goal at Camas Meadows Golf Club is to allow you to be a guest at your own event.

Our staff is experienced in handling groups of all sizes.
