Build confidence, team spirit and camaraderie with a team-building event at ClubSport!

ClubSport offers a broad variety of fitness activities and challenges, and our expert event staff will arrange a memorable, customized event for your corporate team.

The club's impressive 150,000 square foot sports facility boasts a four-court gymnasium for team-building activities, including basketball, volleyball, dodge ball and badminton games. In addition, the facility is equipped with four racquetball and two squash courts, a six-lane indoor lap pool, two outdoor resort pools with a waterslide, spa and cabana. Traditional circuit training and cardiovascular equipment, as well as group fitness classes are also offered, as well as a full-service restaurant and bar and childcare.

One of the most impressive features of this club is the Rock Gym, which is the largest indoor climbing facility in Oregon. The gym features bouldering areas, as well as top roping and lead climbing routes. Team-building classes are offered for climbers of all abilities with certified climbing instructors who are accomplished outdoor climbers.

ClubSport is ADA accessible.
