About ComedySportz

ComedySportz is improvisational theater played as a sport; it's a battle of wits between two teams of professional actors performing scenes, songs and games completely based on suggestions from your audience. It's topical – you tell us what it's about – and clean. We've never had a complaint about content in a ComedySportz Touring Company show (our referee keeps the offensive stuff out). We understand that laughter should bring people together without making anyone uncomfortable and we make it happen hundreds of times every year.

ComedySportz can travel to you, complete with a sound system, or you can create your own private event at our theater. Our requirements are simple, and we pride ourselves on meeting your needs without extra work on your part. Planners from companies like Umpqua Bank, Verizon, Intel, Mentor Graphics, AAA, Good Samaritan Ministries, Temple Beth Israel, Nike and Knowledge Learning Corporation have looked like geniuses by choosing CSz!

Go Even Further

ComedySportz Team-building workshops are a great way for your group to have fun, break down barriers and get more done!

We tailor each workshop to fit our clients' needs, using powerful and fun exercises from the world of improvisation. Workshops can stand alone, or combine with a ComedySportz Touring Company Show for twice the fun!
