### About Cooper Spur Mountain Resort

Cooper Spur Mt. Resort is set on 775 acres surrounded by the Mt. Hood National Forest. The resort offers complete privacy in a tranquil setting. Our rustic peeled log facilities offer the comfort of modern conveniences, providing a unique forested setting for retreats, conferences and workshops.

### Lodging

The lodge and private cabins portray a simple elegance that invite you to relax. The resort accommodates lodging for up to 100 people. It is possible to have exclusive use of the resort for a true retreat experience.

### Meeting Spaces

Our main meeting area can be set up for up to 52 people and the cabins can be used for break-out spaces. From yoga retreats, teacher trainings, literary gatherings, artists' workshops, family reunions, to corporate meetings; we can coordinate any type of event. Throughout the four seasons, visitors can enjoy the fresh mountain air and savor the natural beauty of the mountain and forest landscape.

### Amenities

Amenities include a kitchenettes/mini-fridges, wood-burning fireplaces, a picnic and barbeque area, tennis court, volleyball court, hiking trails, and sundeck with hot tubs. FREE Wi-Fi is available in all of our rooms and meeting areas.

### Location

Cooper Spur Mt. Resort is conveniently located just 90 miles from downtown Portland, on the north side of Mt. Hood. The resort offers unique recreational opportunities for your family or group.
