Crave Catering: Mouth-Watering Cuisine, Local Ingredients

Crave Catering gives you the confidence you need to make a good impression through creative, chef inspired cuisine. We take great care in our ingredients, hand-picking produce & other local products to foster community support for local farmers, fishermen, and artisans. Let this locally owned, sustainable caterer **MAKE** your next event. Our clients come back for more after telling us how everyone is **STILL** raving about the food! We are a Full Service Caterer that offers event setup, equipment rental coordination, and full bar service.

Each year Crave Catering commits to becoming 10% more sustainable! From a hybrid delivery vehicle to real silverware & plateware. We've already decreased our impact on landfills by 70% over the last 3 years!
