Exquisite Floral & Decor

Crystal Lilies is a specialty florist. Our expertise is in providing spectacular floral arrangements and décor for all events. We use fresh, unusual and interesting flowers and elements in every event.

Design, Coordination & Production

Crystal Lilies can help with the development of ideas for the design concept of your event, show or benefit. We work with your budget to coordinate the elements of your event from lighting, staging, rentals, audio, printing, entertainment, floral & décor and more.

Whether your event is sophisticated or opulent, grand or intimate, simple and elegant, or fun and unusual we can coordinate all aspects. We provide production and setup for all events. We bring a team of professionals to each event to attend to all of the details.

With more than 20 years in business Crystal Lilies has the experience to make your event a success from the very beginning.
