Client Testimonial:

"DWA has served as decorator for our annual telecommunications trade show for over ten years, and has proven to be dependable, flexible, affordable, and highly professional. Marc Beyer has always stood right where the buck stops, and he has never let us down. They do whatever it takes to accommodate our needs, whatever they are. Highly recommended."

WHAT'S NEW

ECO FRIENDLY GRAPHICS!

DWA has invested in the future of our environment with the purchase of Mutoh's ValueJet 1608 hybrid printer which uses Mubio Ink. The ink is composed of 80% plant-derived substances and contains no VOCs. The ink has also been recognized by the Environmental Protection Agency's Design for the Environment program.

We print directly onto the most environmentally friendly substrates available such as cardboard, Fiberstone and biodegradable foamboards.
