

Courses

Eagle Landing Golf Course has 27 holes of Executive Par 3 golf. Choose our South 9, North 18 or the full 27 holes. It is a beautiful place to relax and enjoy the benefits of a shorter course that is challenging, fun and beautifully manicured. This course is ideal for the amateur golfer who needs a smaller course to learn the fundamentals and the avid golfer who enjoys the challenges of the short game. There is no better way to break up the work day than to sneak off for lunch and a quick round of golf. Eagle Landing also offers 36 holes of Miniature Golf surrounded by waterfalls, meandering streams and beautiful landscaping. It is truly like no other course around. All of our courses are family friendly and a great location for fun, team building, picnics and parties!

Tournaments

Corporate tournaments, fundraisers and team building events, we do it all! Eagle Landing offers a great course where golfers of all skill levels can play in a tournament, have a great time and not lose their entire day. Whether it is Par 3 or Miniature Golf, hosting your event at Eagle Landing is a great way to network and bring people together. Combine our tent or ballroom to your golf to create a wonderful event at Eagle Landing Golf Course.
