Since 1979, Elephants Delicatessen has proudly served as Portland's favorite specialty foods & catering company. We make all our great local foods from scratch every day for your enjoyment. Elephants Catering offers convenient drop off options, full-service events anywhere in the Northwest, and we can host you & your special guests in our Garden Room.

### Serving the Catering Needs of the Portland Metro area for 30 years!

Elephants Catering is committed to providing each of our clients with delicious foods, and friendly, knowledgeable service. We work each day to exceed your expectations and delight your senses. We have the resources and expertise to manage any event, from small daily corporate meetings to large-scale extravaganzas. As full-service event planners we partner with clients and individuals to make their jobs easier, help them achieve their vision and stay on budget!

### Supporting our Community Responsibly

We are committed to sustainable business practices that improve our products and services while reducing our environmental impact. Ask your sales associate how you can help!
