

About Gray Line of Portland & Big Pink Sightseeing

Big Pink Sightseeing's unique pink trolleys are available for shuttles, tours, charters, weddings, parties and other special events. With open air and enclosed seating the trolleys offer a variety of experiences for you and your guests. Around town or in a local area, our trolleys maximize the fun and enjoyment of any occasion.

If your guests or clients are staying in town for a few days, arrange for them to join our established Hop-On Hop-Off Tour departures of downtown Portland to learn about your home town. Or have them join our Multnomah Falls and Columbia River Gorge Tour for an unforgettable half day experience.

As we operate both trolleys and motor coaches we can meet your special event needs. Our trolleys are pink for a reason. Big Pink Sightseeing has committed that a portion of every dollar received is contributed to support the cause of breast cancer awareness and research.
