A Historic Gem

Listed on the National Register of Historic Places, The Governor Hotel is an architectural beauty. Built in 1909, the hotel has been completely restored to its original grandeur. The recently completed renovation of the Heritage Ballroom unveils Portland's best-kept secret, resurrecting this one-of-a-kind grand space for events after a hiatus of more than 60 years. The classic design and ornate craftsmanship were preserved in the original Italian Renaissance styling. The room's high vaulted ceilings, marble floors and black-walnut woodwork and walls are truly unique.
