About Langdon Farms Golf Club

Langdon Farms Golf Course is conveniently located 20 minutes south of Portland off I-5. The course is situated on several acres of pristine greens designed from the former farmland of the Langdon Family.

Designed by award winning architects, John Fought and Robert Cupp, the Club shares course architecture traditions with great courses from around the world. A commitment to superior playing conditions and excellent drainage makes Langdon Farms one of the best places to play every day of the year.
