Holly Duckworth, CAE, CMP **The Future of Leadership & Volunteerism**

Struggling to move your organization from now to the future? Lacking leaders that will innovate, strategize, mentor, and use technology and advance? Do you have senior leaders poised to retire and nobody stepping up to lead into the future? You want to lead and don't know where to start?

Holly Duckworth, CAE, CMP is the future of leadership. As a thought leader Holly is both a certified association executive and certified meeting professional she is Oregon's only CAE, CMP and professional speaker. She adds value to conferences and seminars educating, connecting and inspiring both organizations and individuals. She uses new tools to solve the new problems of today. With her tools and take aways, your audience will define measurable success and achieve it.

Audience Favorite Programs:
