About Martin's Gorge Tours

Martin offers scenic tours for individuals, families, or groups. Discover the hidden attractions that make The Columbia River Gorge a National Scenic Area, from waterfalls to wildflowers to wineries. Most tours are available as half day, or full day excursions. Transportation, water and a snack are included. Service to hotels available by request. Just bring a windbreaker, comfortable shoes, your camera and a smile...leave your worries behind as we experience the natural beauty and explore the treasures of The Gorge.
