A tasteful blend of subtle sophistication and casual comfort . . .

Nestled in the western highlands of Mt. Hood, less than an hour from Portland, is one of the Northwest's premier destination resorts. The 157-room Resort at The Mountain, with its unique ambiance and exceptional service, complements the natural beauty of neighboring national forests and clear running streams. Here, guests of all types – groups, couples and families – may choose from a seemingly endless array of seasonal activities and adventures. Tee it up on the 27-hole championship golf course (The Courses) or play the 18-hole putting course (The Greens). Serve it up on a tennis, volleyball or badminton court. Roam picturesque grounds. Salmon fish. Pick berries and forage mushrooms. Hike. Photograph wildlife. Take off on a mountain bike. Work out in the fitness center. Then chill out around the pool. Or indulge all your senses at The Resort's full-service spa. Winter getaways are special as well. Guests may ski or snowboard to their hearts' content at one of three Mt. Hood ski areas. And end their day basking in the warmth and glow of one many fireplaces at The Resort, while contemplating tomorrow. There is so much to see and do in and around the Mt. Hood Territory and all is easily accessible from The Resort at The Mountain.
