

## Consulting | Design | Rentals

West Coast Event Productions, Inc. is an award-winning, full-service event production company with over 30 years of experience in the event industry. We are an inspired team of planners, designers and technicians committed to developing innovative solutions for special events.

Whether you require expert technical support, custom fabrication, event marketing, or the guarantee of quality rental items, we offer an extensive and innovative range of services and products that is sure to fit your needs. From concept to completion, our team specializes in event staging, lighting and special effects, sound, audio visual presentations, tabletop décor, custom fabrication, and event and theme production. Our technical experts can provide installation, monitoring of all power requirements, and on-site supervision to ensure the flawless execution of your event.

We invite you to celebrate with us. Cheers!

**Memberships:** American Rental Association, Association of Bridal Consultants, International Special Events Society, Pearl District Business Association.
