

Consulting | Design | Rentals

West Coast Event Productions, Inc. is an award-winning, full-service event production company with over 30 years of experience in the event industry. We are an inspired team of planners, designers and technicians committed to developing innovative solutions for special events.

Our comprehensive product line, creative design services and broad range of technical expertise have gained us recognition as one of the "Top 30 Event Rental Companies" nationwide (*Special Events* magazine). We have helped such clients as Microsoft, Nike, Coca Cola, Food Services of America, Vestas and President Barack Obama host outstanding events throughout the west coast.

Whether planning a corporate gathering, personal celebration or wedding, you'll find an extensive range of services and products at your fingertips. We invite you to celebrate with us. Cheers!

Memberships: American Rental Association, Association of Bridal Consultants, International Special Events Society, Pearl District Business Association.
